Cut 2 pieces  $4 \frac{5}{8}$ " (12 cm) of the woven rib ribbon.

Seam allowance  $\frac{5}{8}$ " (1.5 cm) included.

## SEW

Embellish the hand bag. Thread your Husqvarna Viking Sewing machine with embroidery thread on top and bobbin thread in the bobbin. Select straight stitch. Place the front organza piece on top of the front linen piece and sew by free hand stitching or mark patterns with your pictogram pen lines for different stitches. Start stitching straight stitch and follow using different stitches and threads in different colors. Repeat with the back piece. Pin all three layers of the flower applications on the front piece. Stitch in place with some straight stitches through all three layers. Sew a bead by hand in the middle of each flower.

Sew the front and back piece together. Place the embellished front and back piece right sides together. Stitch side seams and lower edge. Trim seam allowance at corners and press seams open.

Sew the lining. Place front and back piece right sides together. Stitch side seams and lower edge. Leave a 4" (10 cm) opening to turn. Trim seam allowance at corners and press seams open.

Sew fabric bag and lining bag together. Place fabric bag and lining bag right sides together. Sew the upper edge. Trim seam allowance and clip curves. Turn right side out through the opening in the lining and turn the lining to inside of the bag. Press the upper edge. Illustration A.

Sew the casing for the handle. Place the green velvet ribbon,  $\frac{3}{8}$ " (10 mm) wide, centered on top of the woven grosgrain ribbon. Snap on the Edge Stitching Foot and stitch in place near the edges.

Turn under the short edges of the woven grosgrain ribbon and press. Pin the ribbon along the upper edge of the wrong side of the hand bag. Stitch the lower long side of the ribbon in place. Illustration B.

Pin the long side of the green velvet ribbon,  $\frac{3}{8}$ " (10 mm) wide, along the upper edge of the right side of the hand bag. Place the handle between the front piece and the woven rib ribbon. Snap on the Narrow Zipper Foot. From the right side stitch together, wrong sides facing, near the velvet ribbon edges. Repeat with the back piece/handle. Illustration C.

Embellish with a row of beads, sewn by hand, at the seam right side just below the handle. Illustration D.
